25X1 5. [redacted] Mrs. Scruggs in the office of
Representative Kenneth J. Gray telephoned to inquire about CIA
clearance of a [redacted]
25X1 Maryland. [redacted] made application to GSA in January 1964 for a
25X1 position [redacted] Upon contacting GSA, Mrs. Scruggs was told by a
Mr. Flanagan that they had not as yet received the CIA clearance for
25X1 [redacted] Mrs. Scruggs asked if we would look into this for her.
I told her we would and would be back in touch with her.

25X1 6. [redacted] Miss Oosthoek in the office of
Congresswoman Frances Bolton telephoned asking that the Congresswoman
be sent a copy of "Soviet Economic Problems Multiply." This was done.

25X1 7. [redacted] met with Mr. Jerome S. Adlerman,
General Counsel, Senate Permanent Investigating Subcommittee, regarding
audit reports of A-II construction. A question had been raised with the
General Accounting Office by Mr. Thomas A. Nunnally of the Committee
Staff and relayed to Mr. Houston by Mr. Robert Keller, General Counsel,
GAO, with the suggestion that the Agency make direct contact with the
Committee. I advised Mr. Adlerman that the Agency initiated the A-II
program and although there had been a high degree of cooperative effort
with Air Force, Agency funds and contract authorities were utilized
throughout. In consequence, audit reports are not available at GAO. It
was noted also that the program eventually will be phased to the Air Force
and brought under normal Air Force contract procedures. Turnover has
not been initiated. Mr. Adlerman indicated that Agency development and
control of the program did not surprise him. He raised no further questions
on the matter but thanked me for coming by. Mr. Keller will be advised
of the meeting.
